ENTRY JOURNALIZING TELEPHONE CONFERENCE CALL OF  
OCTOBER 8, 2010, AND REFERRING THE CAPTIONED CAUSE TO  
DISTRICT MEDIATOR, ROBERT KAISER, FOR MEDIATION WITHIN  
SPECIFIC TIME FRAME; STAY OF PROCEEDINGS, WITH TWO  
EXCEPTIONS, ORDERED; FURTHER CONFERENCE CALL SET

---

---

The captioned cause came on to be heard upon a status conference on  
Friday, October 8, 2010. During said telephone conference, the following matters  
were discussed and agreed upon:

1. This Court has granted the parties 60 days from Monday, October 11,  
2010, within which to attempt settlement of the captioned cause. To  
that end, the captioned matter is referred to District Mediator, Robert  
Kaiser, with the request that he conduct a mediation, together with  
any and all necessary follow-up steps, within that 60-day period of  
time.

2. During the 60-day period of time within which settlement will be attempted, proceedings in the captioned cause are ordered stayed, save and excepting the aforementioned attempt to resolve the captioned cause, with the aid and assistance of District Mediator Robert Kaiser, and the taking of three further depositions to ascertain the number of viable Plaintiffs. Once those depositions are taken and the number of viable Plaintiffs ascertained, a revised list of said viable Plaintiffs will be furnished the Court.
3. Should the captioned cause not settle, the Court and counsel will speak, once again by conference call telephone communication, beginning at 5:00 p.m. on Monday, December 13, 2010, in order to set a revised case management schedule which will, *inter alia*, have the Plaintiffs proceeding first with a determination of experts, and the furnishing of expert reports, following which the Defendants will have the opportunity to conduct expert discovery, to provide reports to the Plaintiff, and to file motions for summary judgment with regard to any one or more or all of the remaining Plaintiffs.
